A person is silhouetted against a dramatic, cloudy sky, with their arms raised in a gesture of praise or worship. They are standing in a field of tall, golden-brown grass. The overall mood is one of awe and devotion.

No one is like you, LORD;
You are great,
and Your name is mighty in power.

Making God's Love Real

WELCOME! The Bible says, “*My house will be called a house of prayer for all people.*” Isaiah 56:7. Consider this: It is not possible to be a visitor in a place where you belong. Our prayer is that everyone who gathers here to worship our Creator God today will have that sense of “belonging” in His presence.

Many of these are simple and repetitive tasks - cutting twine, attaching stickers, cutting paper, cutting foam board, cutting ribbon, assembly of various craft "kits"... there are also some more involved tasks such as creating wooden "crew" signs, and helping create African huts for the foyer.

GUESS WHO'S COMING TO DINNER: May 25

Church members and families, friends, and attendees may choose to be a host or a guest (sign-up sheets are in the lobby). Hosts will indicate how many guests they can accommodate, as well as their address and phone number, and they will be responsible for providing a meal for their guests on the afternoon of May 25. Guests will indicate how many people are in their party. Final sign-ups will be May 18.

On Sabbath morning, May 25, envelopes will be available for guests to pick up in the lobby, which will state the address and phone number of their host. After church, guests will travel to the home of their host for lunch. The hosts won't find out until the guests arrive at their doorstep. Until then, you must Guess Who's Coming to Dinner!

If you have any questions about the event, feel free to ask Kami.

PASTOR TOM'S FAMILY WORSHIP PODCAST:

Family worship was a cornerstone of my own upbringing. Some of my fondest memories include lying on my dad's chest and listening to Bible stories before bedtime. These moments were not just about faith but about creating lasting bonds that supported us through life's challenges.

I'm thrilled to announce the launch of our new podcast, designed to deepen family worship, and strengthen the bonds within our families.

As your youth pastor, I've created this podcast to provide a space where parents and children can engage in meaningful conversations about important life topics. The podcast is an ideal companion for your morning drive to school or your nightly bedtime routine.

The podcast is called Tom's Family Worship. You can find it on any podcast platform (hopefully 🎧).... If you can't, let me know) or by following the QR code.
